

*Sustain
the industry
you love*

Industry leaders who recognized the need for ongoing financial support to advance the interests of the ornamental horticultural sector founded the **Ontario Horticultural Trades Foundation** in 1979. The Foundation's mandate is to ensure a healthy future for the horticulture industry, through financial support of **research** and **scholarships**.

Yes!

I would like more information about leaving **Ontario Horticultural Trades Foundation** a legacy through my estate — to sustain our industry.
