Celebrate Canada's 150th birthday. Experience the creative energy of Canada's next generation of urban, landscape and environmental designers. See twelve college and university student teams compete to articulate a local perspective of inclusion, belonging, reconciliation and connection. Everyone is invited - design professionals, students and the public.

Register at: <https://conference.fanshawec.ca/Canada150design>

Includes: keynote speaker, design presentations, lunch & awards reception

- Full-time students - Free
