**Irrigation: How To`s**

You are invited to attend an engaging educational program and enjoy tours of Ontario nurseries and propagation facilities. Our morning seminars highlight irrigation with a focus on the implementation of the transpiration model and other water management practices. Additional talks will address innovations and boxwood production in the industry. Enjoy lunch at the Warwick Community Centre before touring family-owned Sipkens Nurseries and Garden Centre, specializing in perennials for the wholesale market. From there tour Roelands Plant Farms Inc and witness a state of the art vegetable propagation facility. Lastly, follow up with a visit to Hillen Nurseries Inc. Situated on 350 acres and producing roughly 1 million plants annually, Hillen Nursery Inc. is continually expanding and improving their production. It's an action filled day that is sure to be a great learning experience.
