Preferred Shipping Address: Home Work

Certification Code of Ethics

I subscribe to the following code of ethics:

- Uphold the integrity of the irrigation industry.
- Protect public health and safety.
- Comply with all local, regional, and national laws and regulations.
- Adhere to the concepts of free enterprise.
- Follow fair and honest business practices, including legitimate representation of my personal capabilities, experience, certifications, and licenses.
- Apply ethical practices to all contractual and warranty obligations.
- Use responsible procedures in the design, installation, management, and maintenance of irrigation systems.
- Promote best management practices for water, soil, and energy through efficient and cost-effective irrigation system design, installation, management and maintenance.
- Work to gain respect and recognition for the irrigation industry at the local, regional, national, and international level.

Declaration:

- I declare that the information contained in this application is true and accurate.
- I understand that falsification is grounds for revocation of certification.
- I understand that I am required to respond to an audit of my CEUs, if selected.
- I have read and agree to follow the certification code of ethics.
- I understand that failure to adhere to the certification code of ethics may result in disciplinary action up to and including revocation and/or exclusion from the certification program.

Acceptance of the Code of Ethics is **required** for approval
