The exhibit area creates a superior networking and brandscaping opportunity that leads to increased sales potential in this growing market.

Who will attend

Any promotion of other products or services is strictly prohibited and will result in ejection from the exhibition without refund or other appeal. No exhibit will be permitted which interferes with the exhibits of other exhibitors or obstructs the visibility of other exhibits. Exhibits must be confined to the exact space allocated, and where an exhibitor's display is built beyond limitations set forth in the Exhibitor's Manual, Show Management reserves the right to correct such violations by having the exhibitor alter, remove or rearrange any or all of the display so that it will comply with the regulations or, if the exhibitor is not available, to make such corrections at the exhibitor's expense. Show Management reserves the right to restrict exhibits which, because of noise, operation of equipment, creation of safety hazards or any other reason, become objectionable or otherwise distract from neighbouring exhibits. No representation of the exhibitor, his products or services may be carried on in the aisles, corridors, feature areas or other designated common area of the facility.
- 5. Installation, Exhibit Hours and Dismantling:** Dates and hours for installation, exhibiting and dismantling will be as specified by Show Management. All exhibits must be removed by 12pm Friday, September 27, 2019.**
- All storage and handling charges for failure to remove exhibit and/or materials by that time shall be the responsibility of the exhibitor.
