

Hand Sanitizer- Offer Sheet

Thank you for your interest in purchasing our hand sanitizer. We are happy to report our WHO formula has been approved by Health Canada and our NPN number has been issued. As a result, we have begun production and can offer volumes for your consideration.

For every **case sold**, we will **donate three cases** to organizations such as hospitals, first responders, shelters, senior communities, and First Nation/rural communities in desperate need of support in Ontario.

As the outpour for help and support has been exceptional, we will be prioritizing our sales on a first come first serve basis. We appreciate your prompt response to this offer.
