*A sneak peak into what a year round marketplace
virtual experience will look like*

Welcome Page

We are in the process of customizing each section of our event platform! In the meantime, we wanted to share with you a few screenshots to help provide you with a visual.

This will be where our sponsor logos are featured.

VIRTUAL BOOTH SPACE

This sample virtual exhibit space is very similar to what yours would look like at Congress Connect. However, it will be customized for our event.

We will have an additional tab called Marketplace, where you will feature up to 10 products you would like to showcase.

The New product tab will feature up to 10 of your 'NEW' items.
